

CAROLINE'S WISH

2016 Family trip to Disney World!

Cara, short for Caroline, is a sweet and happy 10 year old girl, who was diagnosed with a rare Genetic Syndrome at birth, Trisomy 13 and she is non-verbal.

Caroline is surrounded by a very loving family & wonderful caregiver. She loves music with a wide range from the Wiggles, to Justin Beiber to Mama Mia soundtrack. She adores musical movies. The Little Mermaid is her favorite Disney movie. She enjoys biking and swimming. She loves going on vehicle rides on bumpy roads or fast boat rides at her cottage. Cara has been very fortunate to have attended many concerts/shows of her favorite musical groups with her family but has never been able to go on a sleep away trip with them due to her health issues. Cara's family thought that a trip to Disney would be an amazing wish experience for her.

In March, Cara and her family were whisked away to Give Kids the World Village in Orlando, Florida to spend a much deserve week vacation! Mom stated: "We had the most amazing trip of a lifetime! A huge thank you to everyone who made Cara's wish come true".

Thank you to Give Kids the World, Disney World, WestJet, TuGo insurance and Sony.

A very special thank you to all
