

HARLEY'S WISH

2016 To Go To Disney World!

Harley, 5, who suffers from Sturge-Weber Syndrome, wished to go to Disney World and meet her favourite princesses. Harley is a social little girl who loves all things 'princess'! She and her brother were excited to be picked up and taken to the airport by limo to start their Disney adventure.

Once Harley and her family settled in to their villa at Give Kids the World, they set off to Disney to see the sites and cheer on the parades. She experienced an extra special treat of visiting the Bibbidi Bobbidi Boutique Spa and having lunch with Cinderella on her birthday! The family also had a blast at Universal Studios, where all of their favourite characters came to life.

One of Harley's favourite moments: Mayor Clayton, a six-foot tall rabbit that oversees Give Kids the World Village, tucking her in each night.

Special thanks to Tip Limo, and thank you to our wonderful friends at Give Kids the World, WestJet, Sony and TuGo.

A very special thank you to all
