

JEDIDIAH'S WISH

To go to Disney World!

Jedidiah is an 8-year-old sweet loving boy suffering from Cerebral Palsy. He loves listening to music and playing musical games. His one true wish was to go to Disney World to swim under the nice warm sun, which Jedidiah loves. As well as get to meet some of his favorite Disney characters!

On February 10th, 2017 Jedi's wish was revealed at his school surrounded by all his classmates, family and friends. Thomas D'Arcy McGee Catholic Elementary School greeted us with a warm welcome and helped us celebrate this joyous occasion. There was laughter and tears as we announced that Jedi's wish to go to Walt Disney World for his 9th birthday would come to fruition!

On February 26, 2017 Jedi and his family was greeted by a Westjet representative at the Ottawa airport. This is when the magic happened.

Jedi had an incredible Walt Disney World trip. He had so much fun at all the amusement parks enjoying the lights, sounds and especially the rides. He had a chance to meet all his favourite characters, swim under the sun and eat a lot of Ice cream! The family truly had the time of their lives!!

"Thank you so much for this beautiful experience. Jedi would wake me up every morning to get going. We had so much fun. Thank you! Thank you!" -Sabrina (Jedi's mother)

Thank you Give Kids the World, WestJet, Sony and TuGo.

A very special thank you to all
